CHURCH NEWS

This months church news comes from the President, Ross Thompson.

Greetings to all of our church community and a special welcome to the new members who have chosen to join us this year. It's great to have new members joining us for our development circles and seeing new faces in the congregation each week.

MacKelvie Church has had a busy start to the year. We held our AGM on 28th of April and it was an opportunity to look ahead to the future as well as allowing us to look back on our successes and progress over the past year. We have had increasingly successful Sunday evening church services and we're seeing a lot of new clairvoyants and visitors join us. The new clairvoyants are very well received and often complement us on the positive energies of Spirit that look after our church.

We also recently hosted Australian based physical medium Paul Hamden and his circle leaders who spent a weekend with a limited number of church members teaching and sharing with us his experiences and techniques that he has used during his spiritual career channelling extra-terrestrial guides. It was a fantastic weekend and we look forward to hosting Paul and his team later in 2013. Register your interest now.

We also have been working on our church website. We have invested considerable time and resources into getting a website that allows MacKelvie West Spiritualist Church to become the hub of our local spiritual community. An informative, helpful, interesting, relevant site that promotes and advertises upcoming events and services with regard to all things spiritual in Auckland. Check us out at www.mackelviechurch.org.nz and let us know what you would like to see there.

May you be blessed and be kept safe in the loving protection of your Spirit Teams.

Ross Thompson

President

Fate and luck are the same thing, it all depends on how you look at life! Fate being that everything happens for a reason. Luck meaning that life is what you make it.
